

Page 18, after line 24, please insert the following paragraph:

B2
--Fig. 24 is a drawing showing a creature equipped with a built-in video camera and video display;--

Page 20, after line 8, please insert the following paragraph:

B3
--In some instances, a group of figures, for example, Figs. 18A-18E may be referred to collectively by a single figure number, for example, Fig. 18;--

Page 37, line 1, change "18G" to --18E--;

Page 37, line 4, change "18G" to --18E--;

Page 55, line 15, change ":" to --is a--;

Page 55, line 16, delete "A".

Please add an abstract to the specification after page 139, reading as follows:

"ABSTRACT

B4
The present invention relates to computer systems and methods generally and more particularly to development of interactive constructs, to techniques for teaching such development, and to verbally interactive toys."
